2023 Jefferson Dad Vail Regatta

Order of Events (Progression)

Dear Coaches:

We appreciate the fact that you have to make some decisions based on doubling up leading to conflicts where you can't make both races based on the timing of the progressions. The challenging part is that we will not have any sort of schedule with firm starting times until entries technically close on April 30th..

At this point is to provide the event order based on the 2022 entries used to estimate which events will have time trials. The number of finals for any event obviously depends on the number of entries, for example, the MV4 could have a 9th or event 10th level final and a lot of time between the ML4 and the WV4 on Friday afternoon. Conversely, there can be events that are less than 6 crews and a final only. This variation could extend or compress the schedule in untold ways.
