*Indicates events not held for lack of entries (DII V8 had two entries, but future is questionable).

'B' entries by a program will not count for points.

The points awarded for each place are based on the total points for the event times 5%. Each subsequent finish in a race will receive 5% less than the higher finishing boat. Example, in the varsity 8 event the point total is 200. 5% of 200 is 10 points, so second place finish would receive 190 points.

To be eligible for the Small Boat Championship, a team cannot enter an eight-person boat.
